

# Sponsor-A-Brick

## ADDITIONAL RULES AND GUIDELINES

1. Bricks will be installed randomly throughout the patio.
2. Purchase orders are not accepted. Full payment is required.
3. Installed bricks will not be removed due to a change in personal status or relationship of named individual(s), unless the requesting party agrees to pay the cost of removal, and cost of replacement. No refund will be made for uninstalled bricks that are withdrawn by request, after manufacture.
4. All engraved bricks are subject to review and approval by the VVAC. VVAC reserve the right to reject any application to purchase a brick, based on display issues of inappropriate names, slogans and content. Full refund will be made if no subsequent application is amended and approved.
5. If at any time circumstances change so that the continued use of the inscription on an engraved brick may compromise our purpose or mission, the VVAC reserves the right to remove any brick that would not reflect positively on VVAC or would conflict with its purpose or mission.
6. If at any time the brick patio must be replaced or substantially renovated, a similar recognition site will be established.
7. The Sponsor-a-Brick Campaign is a project of the Verde Valley Archaeology Center. The VVAC is a 501(c)(3) organization. Your gift is tax deductible to the fullest extent allowed by the law.
8. VVAC will proceed with the installation of purchased bricks when enough bricks are sold to complete a particular patio section.
